Some contemporary philosophers specialize in studying one or more historical periods. The history of philosophy (study of a specific period, individual or school) should not be confused with the philosophy of history, a minor subfield most commonly associated with historicism as first defended in Hegel's Lectures on the Philosophy of History.

### Philosophy - Wikipedia

A whole movement developed in the wake of his work, and most of the subsequent history of philosophy can be seen as responses, in one way or another, to his ideas. Kant showed that Empiricism and Rationalism could be combined and that statements were possible that were both synthetic (a posteriori knowledge from experience alone, as in Empiricism ) but also a priori (from reason alone, as in Rationalism ).
