Long acknowledged as a master of nightmarish vision, H.P. Lovecraft established the genuineness and dignity of his own pioneering fiction in 1931 with his quintessential work of supernatural horror, At the Mountains of Madness.

At the Mountains of Madness by H.P. Lovecraft

One had to be careful of one's imagination in the lee of those overshadowing mountains of madness. As I have indicated, Gedney and one dog turned out to be missing in the end. When we came on that terrible shelter we had missed two dogs and two men; but the fairly unharmed dissecting tent, which we entered after investigating the monstrous ...
