Extra Credit. By Andrew Clements. It isn't that Abby Carson can't do her schoolwork. She just doesn't like doing it. And consequently, Abby will have to repeat sixth grade—unless she meets some specific conditions, including taking on an extra credit project: find a pen pal in a distant country.

Extra Credit by Andrew Clements

Andrew Clements is one of those authors who can slip by you unnoticed, if you let that happen. His books never received vocal support in Newbery discussions, but were read by lots of kids. He had a robust, loyal following among grade schoolers, and with the release of Extra Credit in 2009 I was intrigued to hear, really for the first time, Newbery talk about an Andrew Clements book.
