How can you tell how old your refrigerator is? I have the Kenmore model 795.73055.410 / Serial no 506TRVM2C047. We have started having issues with the freezer staying cold enough to keep food frozen. The fridge seems to be warmer than usual as well. We emptied the freezer (all to the garbage) and pulled the appliance out away from the wall.

SOLVED: Kenmore elite frige not cooling - Refrigerator ...

To find the correct manual, you must know the manufacturer and model number of your washer or dryer. The information can be found on a sticker on the back of the machine or just inside the appliance door. You can use the same guidelines to find a manual for any type of large or small household appliance.
