Wow I didn't believed that they provide personalised guides really for free and was pretty sure there are some tricks hidden. I feel bad I thought this way because got 2 amazingly complete guides I needed. Great job Secret Guides team! Thank you so much! There is not many who actually help people for free!

Secret Guides - Expert Translated Game Guides

In battles, click "Settings" to determine how long battles take. "Click," the default setting, waits for you to manually advance every attack, which is great for seeing if new units are working out and initial immersion but horrible for getting through the game quickly. Pick whatever pace works for you.
