This book has several sources of inspiration, not the least of which was the startling outburst of political reform that began in sub-Saharan Africa in the waning months of 1989. From the mid-1960s to the end of the 1980s, both Africans and Western observers had come increasingly to take the presence of the one-

**francophone africa**

The limited success of bureau reforms in the region has been explained by others as either a problem of institutional capacity or the absence of grassroots democracy. This article takes a different stance, arguing that reforms are highly political and resisted not only by politicians but also by an aware and sceptical public.

1996 Paperback

"60 years on,  
francophone countries  
in Africa still do not  
have true  
independence and  
freedom from France,"  
says Nathalie Yamb,  
adviser to Ivory Coast's  
Freedom and  
Democracy Party  
(LIDER).
