A hard money loan is a specific type of asset-based loan financing through which a borrower receives funds secured by real property. Hard money loans are typically issued by private investors or companies. Interest rates are typically higher than conventional commercial or residential property loans because of the higher risk and shorter duration of the loan.

Hard money loan - Wikipedia

Library technicians and assistants generally work indoors. They spend much of their time at public service desks or at computer terminals. They may spend time in the library stacks reshelving books, a task that may require bending or stretching to reach the shelves.
