However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

The Kiss A Secret Life

The Kiss: A Memoir by Kathryn Harrison was a fascinating book. It is well written and in good taste. The only criticism I would have would be that the author did not share how she was able to come to terms with what happened in her life. I am grateful that I read " A Conversation with Kathryn Harrison" at the end of the book.
