Social Animal

Social animals are those animals which interact highly with other animals, usually of their own species, to the point of having a recognizable and distinct society.

What does social animal mean? - definitions

The Social Animal is a 'lost opportunity' book. Similar to The Black Swan, I can recommend portions for its startling insight into the patterns of thought from which we must extricate ourselves to progress and reflect. Unfortunately, those insights are packaged in a specific way, and most unfortunately, they are packaged by David Brooks.
