The Winter Over

On a research base near the South Pole, the normal crew of a couple hundred dwindles to about 40 as summer closes and most of the workers and scientists head back to the real world. Cass Jennings in one of the ones who on the 'winter over' crew.

The Winter Over by Matthew Iden - Goodreads

For nine months a year, researchers in Antarctica are unreachable to the outside world—remote, isolated, and living in perpetual night. On the first day of this “winter-over season,” the body of a murdered woman is found, and then immediately concealed. No investigation, no explanation. And just like that The Winter Over had me hooked.

The Winter Over - Kindle edition by Iden, Matthew. Mystery ...

THE WRITING -- "The Winter Over" is carried by exceptional descriptions and dialogue. Mr. Iden demonstrates his skills from the first page to the last, weaving images that paint complete pictures of the action. The reader is introduced to all the major and minor characters, presenting enough information that one never becomes confused.

Amazon.com: The Winter Over (9781503942851): Iden, Matthew ...

The winter is over. This one phrase, these four short words, encapsulate the hope of salvation, the promise of glory, the truth of God's ultimate and everlasting reign. In C.S. Lewis' story The Lion, the Witch and the Wardrobe, the whole of Narnia is in the depths of winter. The land is cloaked in snow.

The Winter is Over - St Martin-in-the-Fields

The winter-over syndrome is a condition that occurs in individuals who "winter-over" throughout the Antarctic (or Arctic) winter, which can last seven to eight months. It has been observed in inhabitants of research stations in Antarctica, as well as in polar bases such as Thule, Alert and Eureka. It consists of a variety of behavioral and medical disturbances, including irritability, depression, insomnia, absentmindedness, aggressive behavior, and irritable bowel syndrome.

Winter-over syndrome - Wikipedia

For nine months a year researchers in Antarctica are unreachable to the outside world—remote, isolated and living in perpetual night. On the first day of this 'winter-over season', the body of a murdered woman is found and then immediately concealed. No investigation, no explanation. And just like that The Winter Over had me hooked.

The Winter Over eBook: Iden, Matthew: Amazon.co.uk: Kindle ...

As a result, several people have asked whether winter is now over. It is decidedly not, but we are having quite mild conditions during what is normally the “dead” of winter. Historically, the first 10 days of January represent the coldest time of the year, when the average low in Houston falls to 43 degrees, and the average high is 62 degrees.

Is winter over? - Space City Weather
