Tire Recall Lawsuits. Many single vehicle wrecks and rollover accidents occur each year due to tire tread separations, blowouts, tread loss, sidewall failures, detreading and other types of tire failures from recalled tires, resulting in tire defect litigation for the injuries and deaths that these bad tires caused.

Tire Recall Lawsuit | Tire Defect Litigation Lawyer | Tire ...

Proving a tire is defective - Successful tire defect cases rely on your attorney's ability to prove that your tire was defective and unreasonably dangerous. Depending on the circumstances involved, you will need to demonstrate that a failure in the manufacturing, design, distribution, warnings, or some other aspect of the tire made it unsafe.

What it Takes to Win a Defective Tire Case

It seems in 30+ years of doing tire defect litigation, it is often the back left tire failure that occurs more often than the back right tire failure or blowout. When a back tire fails it makes steering and controlling the SUV or truck more difficult. In many of these tire defect accidents, people are seriously injured or killed.
