Who Goes First The Story

Who Goes First? tells their stories and thus gives us a view of medical research that diverges from the alienation of the nameless number heads. Lawrence K. Altman has pursued research on the subject of medical self-experimentation since his days as a medical student, and this personal interest shines throughout the book.

For decades, Iowa and New Hampshire have been the first states to kick off the presidential campaign. But why do these seemingly random states with comparatively small populations have the privilege of voting before the other 48? The story of the Iowa caucus goes back to the 1968 Democratic National Convention. At that infamous event in Chicago ...

"And So It Goes" is a song written by Billy Joel in 1983, though it was not released until six years later. It appeared as the tenth and final track of his 1989 studio album Storm Front. The original 1983 demo was released on the 2005 box set My Lives. Joel wrote the song about a doomed relationship with model Elle Macpherson. Their relationship was dramatic, as Macpherson was only a teenager ...

"Remove everything that has no relevance to the story. If you say in the first chapter that there is a rifle hanging on the wall, in the second or third chapter it absolutely must go off. If it's not going to be fired, it shouldn't be hanging there." "One must never place a loaded rifle on the stage if it isn't going to go off.
